## How To Price Undertruss

1. Review Location
  - a. Most areas do not require a permit
  - b. North port does (and they need a location).
  - c. Adjust price for location
2. Are the walls square?
  - a. If not it will need to be adjusted (get Corey or rely on your knowledge of time).
  - b. Lots of bands, buttresses, and rocks
3. Assuming the walls are square Price at:
  - a. \$525 for the first opening (up to 8x10)
  - b. For additional openings do \$5.25 per sq foot (Minimum \$250).
  - c. Add \$100/arch
  - d. If over 12 but no taller than 16', go up in price 25%
  - e. If over 16, discuss with Corey.
